Hash notes - 27/3/17

Run 1503

Runners/walkers/slackers 29 (great turn out)

Food was fabulous- Tics specially made pies, fresh picked sparkling green peas and smooth virgin white blended potatoes and an absolutely scrumptious pavlova

Downs 🙅🍺

🙅 Run - Jackass, did 14k, 3 different runs but she looked too fresh, didn't even have the decency to pretend to look buggered

🙅 Tucker F..... - Tic, not enough mash, only 7 peas left, so we weren't hungry, and the poor starving dog only got one pie, pity he didn't get the one left in the oven from the Tics last run!

🙅 Shit of the week - Jaws, for not having a drink with Jock after he went to all the time, trouble and expense of traveling to the UK (friends like these)

🙅 Allo Allo - for questioning why we were having dessert before mains, where does he think he is? Dessert was fabulous by the way thank you Jackass.

🙅 Flaps - this is a very sad but true story, no one listens to me either Crafty. Crafty saw Flaps " I'm going to see Farlap, do you want to come?" queries Crafty. Flaps ignores him so Crafty sadly departs and proceeds to Farlap's. Flap's now feels guilty and texts Crafty to see if he wants to be picked up. Bit late! But without getting into all the touching details, they all got together 😄

🙅 Jock - it was his birthday 🎉 turned 57 or was it 77! 😊

🙅 Wendy - asked where the drink stop was and then didn't bother to get there, 😞 excuse was she isn't drinking because she is pregnant

🙅 Returning runners- Arse Slapper, Withdrawal, Jock, Clap, Clop, Lifer, PB, Parul, Cream Puff, Clipper, Tits, Curly, Jaws, hope I got everyone

🙅 Flaps - for being a tight arse. Won \$2,400 and wasn't even going to shout everyone a drink, I ask you!

👎 Lifer - for going bush on the last leg of their trip, the imagination could run wild with that one!!! 😊🤔

Awards 🏆🏆🏆

🏆 Pink Dick - to Jackass - for not having Coffee with Parul's father, so sad 😭

🏆 Double Dick to Nathan, don't know why

🏆 Thong - to Tic for putting Crocs in dryer, that's a worry I haven't even done that

🏆 Burnt Offering- Tic - a pie from his last run still in oven and was just charcoal, mmmmmmm who has the nursing home's number? Of course he tried to blame others!!

🏆 Clipper 350 runs, go girl 🏅
