

RUN NUMBER; 1538 22 RUNNERS 27TH NOVEMBER 2017

LIFER'S RUN; A MOCK WEDDING THEME

22 Well dressed athletes turned up for the social event of the year, a MOCK WEDDING, not one member let the team down, the non blokes stunning in their refinery and the blokes handsome in their attire all from the waist up. Well done

Wow for the Bride, beautiful in her full length "LifeLine" wedding gown, matching veil and a smile to match, stunning well done Thor.

Back to the real world, the run well set ,marked with chalk, paper and flour no one complained, the weather fine allowing for appreciation of the scenery. The Mash as usual great and plenty of it. The wedding cake to die for, well done Lifer.

After the run and the bullshit that flows with everyone telling their personal experience, all called to attention to listen to the wedding vows for Thor and Darcy . Well written and in typical Tic sick and quick wit the vows were very very entertaining, well done Tic/R.A /Celebrant .

Hare: Lifer well done for both setting the run and organizing the event of the year.
